

THE MARRIAGE DISCUSSION GUIDE

Category 11 of 15

Career & Work-Life Balance

www.MrMarriage.com

Discuss each question openly and honestly. Complete independently first – then share with your partner.

1	Do you expect to be a career woman, or do you intend to stay home with the kids?
2	How important is allotting quality time to spend with family?
3	What plans will you put in place to balance work time and family time?
4	Will your career be more important than family?
5	How should we handle career changes or job loss?
6	What happens if one person's career requires relocation?
7	How should we support each other's professional goals?
8	What are your thoughts on working overtime or travel for work?

THE MARRIAGE DISCUSSION GUIDE

Category 11 of 15

Career & Work-Life Balance

www.MrMarriage.com

Discuss each question openly and honestly. Complete independently first – then share with your partner.

9	Should both partners work outside the home?
10	How should we handle childcare decisions if both work?
11	What happens if one person wants to change careers?
12	How important is job satisfaction versus income?
13	Should we have separate or joint professional goals?
14	How should we handle networking events and work social functions?
15	What does retirement planning look like for both of us?
